NOTE ON ALLOCATED PRODUCTS

Allocated items listed below are designated with a red "ALLOCATED" next to their description.
 Allocated products are sent to us from manufacturers to fulfill their pre-booked orders.
 From time to time, we **MAY** have some extra product. As a general rule, we have very little extra.
 Manufacturers usually only ship us enough product to cover their pre-booked orders.
 Please do not rely that if you order it, you will get it, chances are, most of the time, you will not.
ALLOCATED ITEMS ARE FLAGGED WITH QUANTITIES AT THE TIME THE LIST IS UPDATED!

LIST IS UPDATED EVERY FRIDAY!

Always order enough "open stock" product to cover your stores needs!

Please see this list and "A WHOLE LOT MORE" at....
